

NABC Championship 2017 - Info

Amateur Boxing Clubs that would like to enter their boxers in the NABCs must be affiliated for the year 2016-2017 to an NABGC member organisation. For all Western Counties based clubs this is [Young Bristol](#). Clubs will need to renew their affiliation if they have not already done so, so please allow time to check and renew.

Clubs must be affiliated to ***England Boxing!***

Clubs have until 5pm on Friday 3rd November 2017 to have all entries and affiliation with Young Bristol.

The rounds are as follows;

- County Rounds to be completed by 12th November
- Regional Rounds to be completed by 19th November
- Quarter Finals to be completed by 26th November
- Semi Finals to be completed by 3rd December
- Finals to be completed by 10th December

All details of rounds will be released by Friday 27th October 2017.
Western Counties Boxing will commence as early as November 11th.

If a draw is needed to take place, instead of boxers/coaches travelling far and wide – we would look to do this via Live Streaming on Facebook with representatives of the Western Counties Officials present. All details will be published accordingly.
