ROAD TO RIVER - BRISTOL CIRCULAR

A fundraising challenge with a *twist!*

Sunday 6th March 2022 **Sprint event**

Fundraising target - £200

Bike: 30km

An individual challenge with the route taking you from our Start/Finish Harbourside base at Pooles Wharf, heading South West and out of the City and into the rural countryside of North Somerset. Head through Chew Valley East past the energy stop, taking in some steady climbs as you then head past one of our Community Youth Clubs and down to the River Avon.

Walk/Run: 5km

After a quick refreshment stop at the transition, you will then venture off-road on foot through the woodland and eventually finding yourself next to the river heading back towards the City dodging the muddy puddles. Take in some great countryside views from the inner parts of Bristol while walking/jogging to the final stage.

Canoe: 5km

With the land bit done and dusted, it's time to transition onto the water and into the team element of the challenge. Under the guidance of our qualified instructors, you'll canoe (with a partner) down the Feeder Canal and into Bristol Floating Harbour, taking in the sights from the waterways and eventually making it to the City Centre and back to our Start/Finish point at Pooles Wharf.
